# The AHG Uniform is a valuable piece of the AHG Program. It signifies belonging to a group that shares common beliefs and goals. A Girl Member or Adult Member in AHG Official Uniform symbolizes being a part of an organization dedicated to building women of integrity through faith, service, and fun.

**WHY** WEAR

THE AHG UNIFORM?

As representatives of Christ in the local community, the AHG Official Uniform identifies the Troop as a single group uplifting the mission and values of AHG. Wearing an AHG Official Uniform can help Girl and Adult Members grow in many of the values represented in the AHG Creed:

#### LOYAL

Wearing the AHG Official Uniform shows others a member is Loyal to the AHG Oath, Creed, and Mission

#### PURE AND COMPASSIONATE

UNIFORM GUIDE

Uniforms are an equalizer for girls in their Troop. Instead of worrying about wearing the latest trends to Troop meetings, girls can attend AHG meetings with pure hearts, not showing off or worrying about whether they will fit in. Being in uniform allows girls room to grow in compassion for their Troop friends, without worrying about social pressures.

#### **RESPECTFUL AND RESPONSIBLE**

Wearing and keeping a uniform neat, tidy, and up-to-date takes a lot of responsibility. Girls who take responsibility for their AHG Official Uniform will learn to respect their AHG commitments. In the community, Troop leadership can also efficiently keep track of their girls by recognizing AHG Uniforms.

#### PERSEVERANT

Seeing the uniforms of older girls can help younger girls persevere through their AHG journey. Girls can aspire to wear the AHG Official Class A Uniform for the next Program Level knowing each advancement in the program opens new stages of opportunities and responsibilities—moving from a red vest to a blue vest to a sash.

The colorful AHG Official Class B Reach Higher T-Shirts are another exciting incentive for girls to advance to the next Program Level. Girls can hold onto these t-shirts as AHG memorabilia reminding them of service and Level Award projects that stretched them to grow in a variety of skills and abilities.

#### **UNIFORMS**

Though AHG desires for compliance in uniform standards across the country, you may, on occasion, find a picture in AHG materials that do not fully represent AHG's current, official uniform. AHG never wants girls to be ashamed or embarrassed about any uniform imperfections. As updates are made and the handbooks and uniform options are expanded, conflict in previously published information regarding uniform standards may arise. This document supersedes any previously published information regarding uniform standards and records the most up-to-date information regarding the AHG Official Uniform.

#### **SASHES**

Pioneers and Patriots may choose to either keep the same sash for all six years or move to a new sash as a Patriot.

If a Pioneer or Patriot decides to wear the same sash the entire time, this piece of the uniform needs to remain neat with badges sewn in an organized pattern. Girls may find they are running out of space on their sash after creating the three flowers and lining up additional badges across the bottom of the sash. <u>See the "Insignia Placement" section on page 11 for recommendations on this issue.</u>

If a girl chooses to move to a new sash as a Patriot, she may not wear two sashes side by side or crossed across her chest (one on each shoulder). With the decision to switch sashes after her Pioneer Level, she will only wear her Patriot sash from that point forward.

If a girl is having trouble keeping her sash on her shoulder, the <u>AHG Sash Pin</u> is available on the <u>AHGstore</u> to connect the sash to the polo! This pin can be worn for Pioneer and Patriot years and is not earned.

#### **JOINING AWARD**

The Joining Award is placed in a couple of different spots, depending on when earned. If a girl starts as a Pathfinder and receives both her Fanny Crosby Level Award and her Joining Award, then the Joining Award is placed above the Troop numbers. If a girl did not earn the Level Award from a previous Program Level, the Joining Award starts the next Program Level's flower.

#### THE CENTER OF THE FLOWER

Always start a flower with the Level Award from the girl's previous Program Level or her Joining Award. The Joining Award will advance through each Program Level if the girl does not earn her Level Award.

Start "flower" with Joining Award or Level Award in center

#### First Frontier Badge starts here

#### **BADGE PLACEMENT**

The recommended method for starting the first flower or honeycomb on a vest or sash is to place the Joining Award or Level Award in the center of the pattern. The flower or honeycomb pattern created with her badges will include one badge from each Badge Frontier, starting with the Heritage Frontier. Then move clockwise around the flower to Family

Living, Arts, Outdoor Skills, Personal Well-Being, and Science & Technology. A girl who earns two badges out of the same Frontier before completing her first flower will place the second badge on the opposite side of her vest or toward the bottom of her sash.

See page 6 for a Tenderheart and Explorer vest example. See page 8 for a Pioneer and Patriot sash example.

#### TENDERHEARTS Option 1

Start flower with the Fanny Crosby Level Award and add her Joining Award to her vest above her Membership Pin.

### Option 2

Start flower with the Joining Award.

#### EXPLORERS

**Option 1** Start flower with the Sacagawea Level Award.

#### **Option 2** Start flower with the Joining Award.

#### PIONEERS

Option 1 Start flower with the Ida Scudder Level Award.

#### **Option 2**

Start first flower with the Joining Award.

#### PATRIOTS

**Option 1** Start second flower on the Pioneer sash with the Harriet Tubman Level Award.

#### **Option 2**

Start flower with the Joining Award.

#### **Option 3**

Start first flower on the new Patriot sash with the Harriet Tubman Level Award.

After a girl completes one of these options, she can add a second flower or third flower with the Abigail Adams Level Award in the center. It is also permissible to "book flap" the Abigail Adams Level Award over the Ida Scudder Level Award <u>(see the following section).</u>

### UNIFORM TENDERHEART-PATRIOT GUIDE ADDITIONAL GIRL UNIFORM INFORMATION

#### **INSIGNIA PLACEMENT**

A girl may run out of space for all the badges, patches, service stars, and other insignia on her vest or sash! Insignia may not be extended beyond the vest or sash, as it will start to look untidy and unorganized.

#### **Catholic Faith Awards Placement**

Segment patches may be worn on the back of a girl's vest or sash. Medals can be worn on the front of her vest or sash. Tenderhearts and Explorers wear the medals under the Troop numbers on their vest. Pioneers and Patriots wear the medals under the AHG Flag Patch on their sash.

#### **B.Y. Faith Awards**

Each Program Level has a pin that can be worn on the front of her vest or sash. Tenderhearts and Explorers wear their pins under their Troop numbers on their vest. Pioneers and Patriots wear their pins under the AHG Flag Patch on their sash. These pins can be transferred to each new uniform, stacked one on top of the other.

Any patches earned through a particular B.Y. Faith are placed on the back of a girl's vest or sash and would not move to the next uniform.

#### **Sports Pin Placement**

Sports Pins are positioned on the front of a girl's uniform. The pins are placed on a vest along the bottom hem of the right side. On the sash, the pins are to be worn near the bottom hem.

#### National Honor Troop Award Placement

The National Honor Troop Award (NHTA) adheres to the front of a girl's vest beneath the Service Stars, and at the back top of a girl's sash.

#### **Stars & Stripes Award Placement**

The proper placement of the Stars & Stripes Award Patch is on the chest of the AHG Official Short-Sleeved Girl Uniform Polo on the side opposite the sash using the AHG Membership Pin. If a recipient becomes a Leader-in-Training (LIT) or Adult Leader, she will wear the patch on her AHG Official Adult Uniform Polo on the side opposite the AHG logo.

#### **PATCH PLACEMENT**

Acceptable patches for the AHG Uniform include Patch Program patches, Troop-earned patches, and event patches. Consider displaying patches from outside activities such as family outings, museums, National Parks, etc., on items such as tote bags or backpacks.

#### **OVERCROWDING**

- 1. AHG recommends extra badges be "book-flapped" by tacking two corners of a badge over an existing badge. This remedy can be applied to AHG Service Stars and patches as well.
- A girl's sash can run out of space if she wears the same sash for all six years as a Pioneer and Patriot. A girl has the option to purchase a separate sash when transitioning from her Pioneer to Patriot Level. This option will allow for more space on both the Pioneer and Patriot sashes.

#### **MOVING INSIGNIA TO THE NEXT PROGRAM LEVEL**

A girl's vest or sash represents her current AHG story. Most insignia is Program Level-specific and cannot be moved from one uniform to the next. Badges earned at the end of a Program Level are attached to the current uniform, not the future uniform.

#### Listed below are a few exceptions:

- Sports Pins can move from one uniform to the next if a girl remains active in that sport.
- The B.Y. Faith Award Pin can move from one uniform to the next to stack her arrows.
- If a Patriot chooses to get a new sash, she may move her gold badges to her new sash.

#### ATTACHING BADGES, PATCHES, AND ADDITIONAL INSIGNIA

Although badges and some other insignia have an iron-on backing, sewing, or using **Badge Magic**, a product available in the **AHGstore**, are suggested to reduce wear and tear and keep badges attached to a girl's vest or sash.

# UNIFORM CLASS B UNIFORM & SPIRIT WEAR

#### AHG OFFICIAL CLASS B UNIFORM

AHG Official Class B T-Shirts are found online in the AHGstore. The AHG Official Class B T-Shirts can be worn with any modest, casual bottoms, such as jeans. These t-shirts are great for hands-on community service, field trips, or other Troop activities where it may not be appropriate to wear the full AHG Official Class A Uniform. These t-shirts are preferred dress over spirit wear for media appearances, service projects, parades, and during the flag ceremony at camp.

The AHG Class B Uniform is available in red and blue Classic Short-Sleeved T-Shirts, red Classic Long-Sleeve T-Shirts, and Reach Higher T-Shirts which are available in different colors based on Program Level!

#### AHG OFFICIAL CLASS B CLASSIC T-SHIRT

The AHG Official Class B Classic T-Shirt is great for hands-on community service, field trips, or other Troop activities where it might not be appropriate to wear the full AHG Official Class A Uniform. These t-shirts are preferred dress over spirit wear for media appearances, service projects, parades, and during the flag ceremony at camp.

#### AHG OFFICIAL CLASS B REACH HIGHER T-SHIRT

The AHG Official Class B Reach Higher T-Shirt is the preferred apparel for field trips and camping or any outing/activity where girls are in groups by Program Level.

#### CAN A TROOP WEAR A MIXTURE OF THE TWO AHG OFFICIAL CLASS B UNIFORM T-SHIRTS?

No. Girls must be in the same AHG Official Class B Uniform T-Shirt style when the Troop has opted to wear their AHG Official Class B Uniforms as a collective group. The whole Troop or Unit would wear either the AHG Official Class B Classic T-Shirt (mixing short-sleeved and long-sleeved permitted) or the AHG Official Class B Reach Higher T-Shirts.

#### SPIRIT WEAR

This includes non-uniform shirts that are purchased from the <u>AHGstore</u> or are created by the Troop. Spirit wear is not a substitute for AHG Official Class A or Class B Uniforms. Spirit wear can be worn with any modest, casual bottoms, such as jeans, and is great for camping, casual wear, and spreading the name of AHG.

Reach Higher T-Shirt

#### **FLAG CEREMONIES**

The uniform standard for a flag ceremony is the AHG Official Class A Uniform, whether a Troop meeting or a special event. While at camp, the AHG Official Class A Uniform is preferred for flag ceremonies, but the AHG Official Class B Classic T-Shirt may be worn instead.

When wearing the AHG Official Class A Uniform or AHG Official Class B Uniform, Girl Members and Adult Members should salute the flag. When in spirit wear or other attire, the right hand is placed over the heart.

#### **TROOP MEETINGS AND EVENTS**

Unless the planned Troop meeting includes a particularly messy activity or outdoor adventure, Girl and Adult Members are expected to wear the AHG Official Class A Uniform.

All Troop members need to be wearing the same type of uniform when gathered together. Mixing of AHG Official Class A Uniforms and AHG Official Class B Uniforms is not encouraged, but may be permitted on rare occasions (i.e., one Unit is planning a messy activity, but others are not).

For additional questions on uniforms, please contact your **Hometown Mentor** or **Troop Coach**.
